

Tennessee Defense Lawyers Association

2019 Sponsorship Opportunities

Who We Are

The **Tennessee Defense Lawyers Association** is a group of lawyers primarily engaged in civil defense litigation, who have the opportunity to exchange ideas, techniques and information through our association. We also strive to improve trial practice by supporting high standards for litigation practice and courtroom manners within the adversarial system of jurisprudence.

Our Growth

TDLA takes pride in its ability to maximize your business's exposure to our growing membership of defense attorneys in Tennessee. The exceptional growth of TDLA and its sponsors over the past few years is a testament to our ability to work cohesively with our partners. TDLA will host our 2019 Annual meeting in the fall.

About Tennessee Defense Lawyers Association

Founded over 50 years ago, TDLA offers several events and opportunities throughout the year for your business to benefit from your sponsorship. With our growing membership today across the state, our growth is a direct result of partnership with our member firms and partners.

Annual Meeting

Our TDLA Annual Meeting is held in the fall, usually at one of the major cities in Tennessee. We draw many of our Past President's and TDLA members from across the state.

Newsletters & TDLA Journal Magazine

TDLA offers a monthly newsletter to its members featuring the latest TDLA news and legal updates. This is sent as an e-blast to members as well as posted on our website at www.tdla.net, where past and present editions may be viewed at anytime. We also offer a bi-annual magazine which contains articles authored mostly by our members.

Website and Emails

At TDLA we recognize the growing need for easier and faster ways to communicate and connect with our members. The TDLA website is a wonderful resource of useful tools for our defense attorneys. Through the website, members may find a directory of Preferred Vendors, legal updates and email colleagues inquiring about experts, points of law, venues, judges, etc.

CLE Seminars and Webinars

TDLA hosts many CLE accredited webinars throughout the year to benefit our members. Many are hosted by our sub-committees representing Employment Law & Workers' Compensation, Tort Law, Professional Negligence & Healthcare and Young Lawyers.
