2019 TDLA Sponsorships

TDLA offers many opportunities to sponsor our organization. Founded over 50 years ago, TDLA offers several events and opportunities throughout the year for your business to benefit from your sponsorship. With our growing membership today across the state, our growth is a direct result of partnership with our member firms and partners.

Annual Meeting

Our TDLA Annual Meeting is held in the fall, usually at one of the major cities in Tennessee. We draw many of our Past President's and TDLA members from across the state.

Newsletters & TDLA Journal Magazine

TDLA offers a monthly newsletter to its members featuring the latest TDLA news and legal updates. This is sent as an e-blast to members as well as posted on our website at www.tdla.net, where past and present editions may be viewed at anytime. We also offer a bi-annual magazine which contains articles authored mostly by our members.

Website and Emails

At TDLA we recognize the growing need for easier and faster ways to communicate and connect with our members. The TDLA website is a wonderful resource of useful tools for our defense attorneys. Through the website, members may find a directory of Preferred Vendors, legal updates and email colleagues inquiring about experts, points of law, venues, judges, etc.

CLE Seminars and Webinars

TDLA hosts many CLE accredited webinars throughout the year to benefit our members. Many are hosted by our sub-committees representing Employment Law & Workers' Compensation, Tort Law, Professional Negligence & Healthcare and Young Lawyers.

Upcoming CLE Events

January 25-26, 2018 - TDLA Trial School - The Doubletree Hotel downtown Nashville. Registrations will be limited to 12. Don't miss this excellent opportunity to refine your litigation skills! Tennessee Defense Lawyers Association Trial School will give young lawyers the opportunity to learn from an outstanding faculty consisting of seasoned TDLA members with significant trial experience.

The TDLA Trial School will include classroom instruction as well as an opportunity for participants to conduct a trial from a NITA problem, including voir dire, opening statements, direct and cross examination of witnesses, introducing exhibits (including use of technology in the courtroom), and closing arguments.

Participants will receive feedback regarding their trial presentations from judges and coaches and will get actual jury verdicts at the end of their trials.
