TDLA Emerging Leaders Program

TDLA Immediate Past President Hannah Lowe is excited to launch the Emerging Leaders program. **Emerging Leaders is a Leadership Development Program whereby lawyers in our organization can have the opportunity to learn and develop leadership skills and be recognized for their participation in various TDLA activities.** Anyone wishing to participate in the Emerging Leaders Program will be able to sign up using the link on the TDLA website. Each participant will receive a Progress Tracker, which will have space for each participant to mark when a task is complete.

The tasks are divided into two groups: Level 1 (more basic tasks), and Level 2 (more advanced tasks). When members complete 6/8 tasks in each level, they will be recognized as a TDLA Emerging Leader either Level 1 or Level 2 and receive recognition as a graduate of the TDLA Emerging Leaders Program at the TDLA Annual Meeting Awards Dinner, in the Newsletter and/or Journal, and on the TDLA website.

There will be no specific deadline for completion of the tasks on the list; however, if a member wishes to be recognized at the Annual Meeting, the Progress Tracker must be submitted (to office@tdla.net) by the end of the month before the annual meeting. Members who have already completed one or more task on the lists at the time of the Program Launch may mark the task complete with the completed date on the Progress Sheet.

Any members who have completed 6 of 8 tasks from either Level 1 or Level 2 by the time of the next TDLA Annual Meeting and submit their form by the end of the month before the meeting (TDLA's next annual meeting will be in October 2024) will be recognized as a graduate of the Emerging Leaders Program at the Annual Meeting. They will also receive recognition in the TDLA Newsletter and/or Journal, and on the TDLA website. We plan to dedicate at least one hour of the TDLA Young Lawyers Boot Camp at the Annual Meeting to leadership training as part of the Emerging Leaders Program.

TDLA is excited about identifying and working with our emerging leaders to help them to develop the leadership skills they need to thrive not just in our organization but in the legal profession generally.
